

REQUEST FOR GOLF CART PARKING SPACE

I, _____ of apartment # _____ request a primary or secondary golf cart parking space.

Currently, my Primary Parking space is _____.

Golf cart vehicles will follow the usage rules as stated by the Village of Key Biscayne and The Island House Apartments House Rules- Parking. Your golf cart will need to be registered with the Village of Key Biscayne first to receive the registration decal. A photo of the decal is needed to complete the registration of the golf cart with the management office. Once registered, you will receive an Island House parking sticker which must be displayed on the golf cart at all times to identify that it is permitted on Island House property. Unregistered golf carts will be subject to sticker and towing.

Golf carts are not to be parked randomly around the parking lot, but must be parked in their assigned golf cart parking space. Regular maintenance must be performed on your golf cart to avoid leaking of battery acid or gas onto the Association property. As part of the maintenance upkeep, golf cart owners will be charged an annual fee that includes, but not limited to electric consumption and general maintenance of the parking spaces.

\$300 for electric carts
\$50 for gas powered carts
